1. No need to be an artist! Print out this sheet. Write in the info you'd like in each area.
2. Logo for tent usually goes up top in the triangle. See example below.
3. Colors you prefer for backgrounds of each piece.
4. Info for the tent valance (flap) - most put a phone number and/or website.
5. Info/images for back wall - most use a logo.
6. Info for side walls - most put logo and/or social media info here.
7. If you want the same thing on all sides, just note that also.
8. Scan it or take a picture with your phone and email it over.  
Leave your phone number. We will go over details at that time.
